

## **CURRICULUM VITAE: David F. Chang, M.D.**

**Academic title:** Clinical Professor, Department of Ophthalmology,  
University of California, San Francisco

### **Education:**

1972-76 Harvard College, (Cambridge, MA) B.A.  
Junior Year Phi Beta Kappa,  
Summa Cum Laude in Biology  
1976-80 Harvard Medical School, (Boston, MA) M.D.  
1980-81 Santa Clara Valley Medical Center, (San Jose, CA)  
Internship (Flex)  
1981-84 University of California, San Francisco, (San Francisco, CA)  
Residency (Ophthalmology)

### **Licenses, Certifications:**

1980 Medical license, State of California  
1986 Certified, American Board of Ophthalmology

### **Positions held:**

1984 - present: Private practice, Los Altos, CA  
1984 - present: Medical staff, El Camino Hospital, Mountain View, CA  
1985 - 1992: Assistant Clinical Professor, Dept. Ophthalmology, UCSF.  
1992 - 1999: Associate Clinical Professor, Dept. Ophthalmology, UCSF.  
1999 - present: Clinical Professor, Dept. Ophthalmology, UCSF.  
1990 - present: Associate Examiner, American Board of Ophthalmology  
2005 - present: Manager, Peninsula Eye Surgery Center, Mountain View, CA

### **Professional activity:**

1985, 1986. Co-chairman, ophthalmology section, Northern California  
Chapter of the American College of Surgeons.  
1988-1989. Clinical faculty representative, Department of Ophthalmology,  
UCSF School of Medicine.  
1988- 1989. Association of the Clinical Faculty, UCSF School of Medicine.  
Ophthalmology representative.  
1989- 1990. Association of the Clinical Faculty, UCSF School of Medicine.  
Administrative Council (Treasurer).  
1992-present Faculty - Residents Advanced Microsurgery Course;  
Dept. Ophthalmology, U.C.S.F.  
1993-1997 Monitor - Skills Transfer Curriculum, American Academy of  
Ophthalmology, Annual Meeting .

1995. Pilot surgeon (Cataract), American Academy of Ophthalmology National Eyecare Outcomes Network

1996- present Faculty, "Colleagues in Surgery" mini-fellowship program, Allergan.

1996-1997 Clinical Investigator, FDA Phase II trial for Surodex, Oculex Pharmaceuticals.

1998-1999 Clinical Investigator, FDA Phase III trial for Surodex, Oculex Pharmaceuticals.

1997-present Annual Meeting Program Committee, American Academy of Ophthalmology, (Cataract subspecialist)

1998-2008 Editorial Board, *Comprehensive Ophthalmology Update*.

1999-present Reviewer, *British Journal Ophthalmology*, *Journal Cataract & Refractive Surgery*, *Archives Ophthalmology*, *Comprehensive Ophthalmology Update*, *Ophthalmology*, *American Journal of Ophthalmology*, *Eye*, *Ophthalmic Surgery and Lasers*, *BMC Ophthalmology*

2000 Video Reports editor, *British Journal Ophthalmology Website*

2000-2002 Section author, "Intraocular Lenses", [YourDoctor.com](http://YourDoctor.com) website

2000-present Medical Advisory Board, Calhoun Vision, Inc.

2001 Reviewer, Cataract Preferred Practice Pattern, American Academy of Ophthalmology

2001 Co-director, Surgical Strategies for Success Courses, Ocular Surgery News

2001-present Scientific Advisory Board, Visiogen, Inc.

2001-present Editorial Board, *Cataract & Refractive Surgery Today*

2001-2008 Cataract Module Editor, SLACK/ Ocular Surgery News [Ophthalmic.Hyperguides](http://Ophthalmic.Hyperguides.com) cybertext

2002-present Clinical Investigator, FDA Phase I, II trial for OPHTEC Iris Reconstruction Lenses

2002-present Clinical Investigator, FDA Phase II, III trial for Vision Care Intraocular Miniature Telescope.

2002-present Global Science Advisory Board, American Medical Optics

2002-present Program Co-Chairman, Spotlight on Cataract Surgery Program, American Academy of Ophthalmology, Annual Meeting

2003-2004 Chairman, Cataract Sub-Committee, American Academy of Ophthalmology Annual Meeting Program Committee

2003-present Cataract/Anterior Segment Editor; Specialty Clinical Updates, (LEO) American Academy of Ophthalmology

2003-present Editorial Board, *EyeNet*, American Academy of Ophthalmology

2003-2008 Practicing Ophthalmologist Curriculum Committee for Cataract and Anterior Segment, American Academy of Ophthalmology

2003-present Editorial Board, Ocular Surgery News

2003-present Editorial Board, Video Journal of Ophthalmology

2003-2007 Scientific Advisory Board, Medennium, Inc.

2003-present Medical Monitor, Visiogen Synchrony Accommodating IOL, FDA study

2003-2008 Co-Chief Medical Editor, *Cataract & Refractive Surgery Today*

2004-present Advisor, UCSF Collaborative Vision Research Group

2004-present Editorial Board, *Highlights of Ophthalmology*

2004-present American Academy of Ophthalmology Preferred Practice Pattern Panel - Cataract

2004-present Cataract Clinical Committee, American Society of Cataract & Refractive Surgery

2005-2006 Editorial Board, 21<sup>st</sup> Century Surgeon, Slack

- 2005-present Advisor, Pacific Rim Center for Vision, That Man May See, Inc.
- 2005-present ASCRS Flomax Task Force, Chairman
- 2005-present Editor, Cataract & Refractive Surgery Today Virtual Textbook of Cataract Surgery
- 2005-2006 Vice-Chair, Practicing Ophthalmologist Curriculum Committee for Cataract and Anterior Segment, American Academy of Ophthalmology
