About the Editor

Contributing Authors.....

INTRODUCTION: THE HISTORY OF MODERN CATARACT SURGERY

Honoring Those With the Right Stuff.....
David F. Chang, MD

Flashback.....
Herve M. Byron, MD

A History of Modern Cataract Surgery.....
Robert M. Sinskey, MD

The Genesis of Phacoemulsification

Charles D. Kelman, MD

Sir Harold Ridley.....
David J. Apple, MD

Recreating the Posterior Chamber Lens

Steven P. Shearing, MD

Creating a Foldable Lens.....
Thomas R. Mazzocco, MD

Cataract Surgery and IOLs.....
By Richard P. Kratz, MD, DSci

SECTION I: CATARACT SURGICAL TECHNIQUE

ANESTHESIA AND INCISION

Chapter 1 Tips on Topical Anesthesia for Cataract Surgery.....
Terrence P. O'Brien, MD

Chapter 2 Should I Change My Incision?.....
Randall J. Olson, MD

Chapter 3 Clear Cornea Versus Scleral Pocket.....
Ashley Behrens, MD

Chapter 4 Why I Do Not Use Clear Corneal Incisions.....
John R. Wittpenn, Jr, MD

Chapter 5 The Architecture of Clear Corneal Incisions.....
I. Howard Fine, MD; Richard S. Hoffman, MD; and Mark Packer, MD

Chapter 6 Are All Corneal Incisions the Same?.....
Ayman Naseri, MD

Chapter 7 The Stromal Hydration of Clear Corneal Incisions.....
Abhay R. Vasavada, MS, FRCS; Mamidipudi R. Praveen, DOMS; Devarshi U. Gajjar, PhD; and Deepak Pandita, MS

Chapter 8 Achieving a Watertight Incision.....
Frank A. Bucci, MD; Paul H. Ernest, MD; Ehud I. Assia, MD; and Brock K. Bakewell, MD, FACS

Chapter 9 Improving the Seal of a Clear Corneal Incision.....
Michael Y. Wong, MD

Chapter 10 Tissue Adhesives for Wound Closure in Cataract Surgery.....
Bhairavi V. Kharod, MD, and Terry Kim, MD

CAPSULORHEXIS AND HYDRODISSECTION

Chapter 11 The History of the Capsulorhexis Technique.....
Howard V. Gimbel, MD

Chapter 12 Why Did We Abandon the Can-Opener Capsulotomy?
David J. Apple, MD

Chapter 13 Strategies for Managing the Difficult Capsulorhexis.....
David F. Chang, MD

Chapter 14 Mastering the Complicated Capsulorhexis.....
Michael E. Snyder, MD

Chapter 15 How to Avoid an Errant Tear
Rosa Braga-Mele MEd, MD, FRCSC

Chapter 16 The Errant Capsulorhexis Tear.....
Christopher S. Connor, MD

Chapter 17 Retrieval Maneuver for CCC Tear-Out
Brian Little, MD

Chapter 18 Single Radial Tear in the Rhexis.....
Lisa Arbisser, MD; David F. Chang, MD; Uday Devgan, MD; and Bonnie An Henderson, MD

Chapter 19 Torn Anterior Capsule
Richard Tipperman, MD; William J. Fishkind, MD, FACS; Lisa Brothers Arbisser, MD; and Marc Michelson, MD

Chapter 20 Pearls for Sizing the Capsulorhexis.....
David F. Chang, MD; Steven Dewey, MD; Richard Tipperman, MD; and R. Bruce Wallace III, MD

Chapter 21 New Technology for Sizing the Continuous Curvilinear Capsulorhexis.....
H. Burkhard Dick, MD, and Adolfo Pena, MD

Chapter 22 Anterior Capsular Contraction Syndrome.....
Priscilla Perry Arnold, MD

Chapter 23 Does the Capsulorhexis Affect Refractive Outcomes?.....
Warren E. Hill, MD

Chapter 24 Six Tips on Hydrodissection Technique
David F. Chang, MD

Chapter 25 Avoiding and Managing Complications From Hydrodissection.....
William J. Fishkind, MD, FACS

PHACO TECHNIQUE AND TECHNOLOGY

Chapter 26 Review of Top Phaco Innovations
By Robert H. Osher, MD

Chapter 27 Improving Surgical Safety With Modern Phaco Technology
By David F. Chang, MD; Elizabeth A. Davis, MD; and Terry Kim, MD

Chapter 28 The Influence of New Technology
William J. Fishkind, MD, FACS; Steven Dewey, MD; Robert J. Cionni, MD; Alan S. Crandall, MD; and Uday Devgan, MD

Chapter 29 Phaco Machine Settings
William J. Fishkind, MD, FACS; R. Bruce Wallace III, MD; Bonnie An Henderson, MD; D. Michael Colvard, MD; Uday Devgan, MD; Donald N. Serafino, MD; Y. Ralph Chu, MD; Elizabeth A. Davis, MD; and James P. Gills, MD

Chapter 30 Phaco Myths and Reality Settings
Randall J. Olson, MD

Chapter 31 Comparing Phaco Technologies in a Teaching Hospital.....
Tal Raviv, MD, FACS

Chapter 32 The Stellaris Vision Enhancement System.....
Terence M. Devine, MD

TABLE OF CONTENTS

Chapter 33	Whitestar Signature With Fusion Fluidics..... <i>William J. Fishkind, MD, FACS</i>
Chapter 34	Power Modulations Come of Age..... <i>Tal Raviv, MD, FACS</i>
Chapter 35	The Advantages of a Rounded Tip..... <i>Steven H. Dewey, MD</i>
Chapter 36	Phaco Chop Techniques: Horizontal Versus Vertical Chop..... <i>David F. Chang, MD</i>
Chapter 37	Why We Prefer Bimanual Microincisional Phacoemulsification..... <i>By I. Howard Fine, MD; Richard S. Hoffman, MD; and Mark Packer, MD</i>
Chapter 38	Pearls for Cortical Cleanup..... <i>Gerald J. Roper, MD</i>
Chapter 39	Removing Subincisional Cortex..... <i>Steven H. Dewey, MD</i>

SECTION II: STRATEGIES FOR COMPLICATED CASES

MATURE CATARACTS

Chapter 40	Confronting the White Cataract..... <i>Robert H. Osher, MD, and James M. Osher, MS</i>
Chapter 41	Focus on Capsular Staining: Trypan Blue Versus Indocyanine Green..... <i>David F. Chang, MD</i>
Chapter 42	Trypan Blue and Healon5..... <i>Robert H. Osher, MD</i>
Chapter 43	Tips for Capsular Staining..... <i>Minas Coroneo, MD, MS, MSc, FRACS, FRANZCO</i>
Chapter 44	Phacoemulsification of the High-Risk Lens..... <i>Tal Raviv, MD, FACS</i>
Chapter 45	Phacoemulsification of the Mature Nucleus..... <i>Priscilla Perry Arnold, MD; Lisa Brothers Arbisser, MD; John D. Hunkeler, MD; and D. Michael Colvard, MD</i>

IFIS AND SMALL PUPILS

Chapter 46	Techniques for Intraoperative Floppy Iris Syndrome..... <i>David F. Chang, MD</i>
Chapter 47	Intracameral Epinephrine for IFIS Prophylaxis..... <i>Joel K. Shugar, MD, MSEE</i>
Chapter 48	Atropine and Epinephrine for IFIS..... <i>Samuel Masket, MD</i>
Chapter 49	Phenylephrine for IFIS..... <i>Richard B. Packard, MD, FRCS, FRCOphth</i>
Chapter 50	Improving the Iris' Behavior..... <i>Robert H. Osher, MD; Frederico F. Marques, MD; Daniela M. Marques, MD; and James M. Osher, MS</i>
Chapter 51	Viscoadaptive Devices and Modified Phaco Parameters in IFIS: an Update..... <i>Douglas D. Koch, MD</i>
Chapter 52	The Modified Use of OVDs for IFIS..... <i>Steve A. Arshinoff, MD, FRCSC</i>
Chapter 53	Discovisc for IFIS..... <i>Satish Modi, MD, FRCSC</i>

Chapter 54 Managing IFIS With Iris Retractors.....
David F. Chang, MD

Chapter 55 The IQ-Ring.....
Boris Malyugin, MD, PhD

TRAUMA AND WEAK ZONULES

Chapter 56 Weak Zonules.....
Robert H. Osher, MD

Chapter 57 Preventing Complications in Patients With PXF Syndrome.....
Alan S. Crandall, MD

Chapter 58 Surgical Management of the Traumatic Cataract.....
Peter A. Zakrzewski, MD; and Ike K. Ahmed, MD, FRCSC

Chapter 59 Conditions and Capsular Tension Rings.....
David M. Dillman, MD

Chapter 60 What Forces Act on the Capsular Bag?.....
Christopher Liu, FRCOphth

Chapter 61 Implanting the Capsular Tension Ring.....
Howard V. Gimbel, MD, MPH, FRCSC, AOE, FACS, CABES

Chapter 62 Capsular Tension Rings Versus Capsule Retractors.....
David F. Chang, MD

Chapter 63 Does PXF Necessitate a CTR?.....
Robert H. Osher, MD; I. Howard Fine, MD; Roger F. Steinert, MD; and Samuel Masket, MD

Chapter 64 The Modified CTR.....
Robert J. Cionni, MD

COMPLICATED CATARACTS AND COMORBIDITIES

Chapter 65 Severe Scleritis, Weak Zonules, and a Rock-Hard Cataract in a One-Eyed Patient.....
David F. Chang, MD

Chapter 66 Combined Cataract and Glaucoma Surgery.....
Richard L. Lindstrom, MD

Chapter 67 Combined Glaucoma Procedures.....
Thomas W. Samuelson, MD

Chapter 68 Combined Procedures.....
Bradford J. Shingleton, MD

Chapter 69 Combined Phacoemulsification and ECP.....
Stanley J. Berke, MD

Chapter 70 Prostaglandin Analogs and Cataract Surgery.....
Anurag Shrivastava, MD, and Kuldev Singh, MD, MPH

Chapter 71 Cataract Surgical Considerations in Diabetics.....
Sam S. Yang, MD, and Everett Ai, MD

Chapter 72 Cataract Surgery and Age-Related Macular Degeneration.....
Raja Narayanan, MD, and Baruch D. Kuppermann, MD, PhD

Chapter 73 Approaches to a Posterior Polar Cataract.....
Abhay R. Vasavada, MBBS, MS, FRCS, and Shetal M. Raj, MBBS, MS

Chapter 74 Shallow Anterior Chamber.....
William J. Fishkind, MD, FACS

Chapter 75 Pars Plana Vitrectomy in Nanophthalmos.....
Rosa Braga-Mele, MEd, MD, FRCSC; Nastasia Nianiaris; and El-Karim Rhemtulla, MD, FRCSC

TABLE OF CONTENTS

Chapter 76	Iris Prosthesis/IOL Implantation.....
	<i>Kenneth J. Rosenthal, MD, FACS</i>

SECTION III: COMPLICATIONS

OPERATIVE COMPLICATIONS

Chapter 77	Intraoperative Capsular Block Syndrome.....
	<i>Kensaku Miyake, MD</i>
Chapter 78	Lens-Iris Diaphragm Retropulsion Syndrome.....
	<i>Robert J. Cionni, MD</i>
Chapter 79	Vitreous Hydration: Often a Hidden Complication of Cataract Surgery.....
	<i>Roberto Bellucci, MD</i>
Chapter 80	The Final 2%
	<i>J. Michael Jumper, MD, and H. Richard McDonald, MD</i>
Chapter 81	What Retinal Surgeons Want You to Know
	<i>Rahul Patel, MD; and Suber S. Huang, MD, MBA</i>
Chapter 82	Triamcinolone-Assisted Anterior Vitrectomy.....
	<i>Scott E. Burk, MD, PhD; Andrea P. Da Mata, MD; Robert H. Osher, MD; and Robert J. Cionni, MD</i>
Chapter 83	Early Thoughts on Triesence.....
	<i>Robert H. Osher, MD; Lisa Brothers Arbisser, MD; and Todd Gothard,</i>
Chapter 84	Point/Counterpoint: Should Anterior Segment Surgeons Perform Pars Plana Anterior Vitrectomy?
	<i>Louis D. "Skip" Nichamin, MD, and J. Michael Jumper, MD</i>

ENDOPHTHALMITIS PROPHYLAXIS

Chapter 85	Is Endophthalmitis on the Rise?.....
	<i>Mehran Taban, MD</i>
Chapter 86	Clear Corneal Incisions and Endophthalmitis
	<i>I. Howard Fine, MD; Richard S. Hoffman, MD; and Mark Packer, MD, FACS</i>
Chapter 87	Preventing Endophthalmitis
	<i>Randall J. Olson, MD</i>
Chapter 88	Endophthalmitis: Recommendations Based on the ESCRS Study
	<i>Peter Barry, FRCS</i>
Chapter 89	Endophthalmitis After Cataract Surgery
	<i>Richard B. Packard, FRCS, FRCOphth; Randall J. Olson, MD; Eric D. Donnerfeld, MD; Steve Arshinoff, MD, FRCSC; Francis S. Mah, MD; Terrence P. O'Brien, MD; and Samuel Masket, MD</i>
Chapter 90	The Implications of the ESCRS Study.....
	<i>Deepinder K. Dhaliwal, MD</i>
Chapter 91	Why I Do Not Use Intracameral Antibiotics.....
	<i>John R. Wittpenn, Jr, MD</i>
Chapter 92	Intracameral Vancomycin: Rationale and Experience.....
	<i>Howard V. Gimbel, MD, MPH, FRCSC</i>
Chapter 93	Prophylaxis With Intracameral Cefuroxime
	<i>Richard B. Packard, MD, FRCS, FRCOphth</i>
Chapter 94	Intracameral Moxifloxacin for Antibacterial Prophylaxis in Cataract Surgery
	<i>Steve A. Arshinoff, MD</i>
Chapter 95	The Top Four Errors in Prescribing Antibiotics
	<i>David G. Hwang, MD, FACS</i>
Chapter 96	What are the Best Topical Agents for Prophylaxis?
	<i>Christopher N. Ta, MD</i>

Chapter 97 Surgical Prophylaxis With 4th Generation Fluoroquinolones.....
Paul Sanghera, MD

Chapter 98 Is Resistance to Gatifloxacin and Moxifloxacin Here Already?.....
David G. Hwang, MD

Chapter 99 MRSA in Cataract and Refractive Surgery.....
Eric Donnerfeld, MD

Chapter 100 Antibiotics in Cataract Surgery.....
Samuel Masket, MD; Roger F. Steinert, MD; and Francis S. Mah, MD

Chapter 101 What Do I Do?.....
*Elizabeth A. Davis, MD; Robert J. Cionni, MD; Rosa Braga-Mele, MEd, MD, FRCSC; Erik L. Mertens, MD, FEBO;
 Frank A. Bucci, Jr, MD; Lisa B. Arbisser, MD; Randall J. Olson, MD; Mark Packer, MD; William J. Fishkind, MD, FACS;
 and James P. Gills, MD*

Chapter 102 *Propionibacterium Acnes* Endophthalmitis.....
Richard E. Braunstein, MD; Nick Mamalis, MD; Robert Kaufer, MD; and Daniel M. Miller, MD, PhD

TASS

Chapter 103 TASS: What Every Anterior Segment Surgeon Needs to Know.....
Henry F. Edelhauser, PhD, and Daniel G. Dawson, MD

Chapter 104 TASS Versus Endophthalmitis.....
Randall J. Olson, MD

Chapter 105 TASS Outbreaks: What Should We Do?.....
Nick Mamalis, MD

Chapter 106 Investigating a TASS Outbreak.....
Thomas L. Beardsley, MD

Chapter 107 Autoclave Contamination and TASS.....
Simon Holland, MB, FRCSC, and Douglas Morck, DVM, PhD

Chapter 108 TASS and Intraocular Ointment.....
Liliana Werner, MD, PhD

Chapter 109 IOLs and TASS.....
Luther L. Fry, MD

Chapter 110 Balanced Salt Solution and TASS.....
Stanley J. Berke, MD, FACS; Robert B. Nelson, PA-C; and Lillian Roth Pontacolone, RN, CNOR

Chapter 111 When TASS Strikes: a Nurse’s Perspective.....
Susan Clouser, RN, MSN, CRNO

Chapter 112 Avoiding Complications With Intraocular Medications.....
James P. Gills, MD

POSTOPERATIVE COMPLICATIONS

Chapter 113 Managing Postoperative Pressure Spikes.....
Richard A. Lewis, MD

Chapter 114 Managing Retained Lens Fragments.....
Judy E. Kim, MD, and Dennis P. Han, MD

Chapter 115 Incidence of Retinal Detachment With Myopic Lens-Based Surgery.....
Barry Seibel, MD

Chapter 116 Best Practices for Cystoid Macular Edema Prophylaxis.....
John R. Wittpenn Jr, MD

Chapter 117 Improving Quality of Vision: The Prevention of Cystoid Macular Edema.....
Michael Raizman, MD

TABLE OF CONTENTS

Chapter 118	Pseudophakic Cystoid Macular Edema	Tina A. Scheufele, MD; and Jeffrey S. Heier, MD
-------------	--	---

SECTION IV: INTRAOCULAR LENSES

Aspheric IOLs

Chapter 119	Highly Accurate IOL Calculations	Warren E. Hill, MD, FACS
Chapter 120	Spherical Aberration 101	Lisa Martén, MD; Tracy Swartz, OD; and Ming Wang, MD, PhD
Chapter 121	Maximizing Optical Quality.....	Mark Packer, MD; I. Howard Fine, MD; and Richard S. Hoffman, MD
Chapter 122	Spherical Aberration: The Next Frontier.....	Jack T. Holladay, MD, MSEE
Chapter 123	Aspheric IOLs Are Predicted to Reduce the Frequency of Car Accidents.....	Douglas D. Koch, MD
Chapter 124	Customizing the Correction of Spherical Aberration	George Beiko, BM, BCh, FRCSC
Chapter 125	At What Pupillary Size Does an Aspheric Matter?.....	Thomas Kohnen, MD, and Thomas Kasper, MD
Chapter 126	The Effect of Centration on Higher-Order Aberrations	Edwin J. Sarver, PhD; Li Wang, MD, PhD; and Douglas D. Koch, MD
Chapter 127	Do Aspheric IOLs Worsen Pseudoaccommodation?	Pablo Artal, PhD, and Juan Tabernero, MSc
Chapter 128	Akreos IOLs.....	Rosa Braga-Mele, MEd, MD, FRCSC

COMPLICATIONS OF IOLs

Chapter 129	Analyzing Explanted IOLs.....	Liliana Werner, MD, PhD
Chapter 130	IOL Selection for the Weakened Capsular Bag.....	David F. Chang, MD
Chapter 131	Radial Rhexis Tear or Sulcus Implantation	Lisa Brothers Arbisser, MD
Chapter 132	CCC, PCCC, or Membrane Capture	Howard V. Gimbel, MD, MPH, FRCSC, FACS
Chapter 133	Sclerally Sutured PCIOLs: Part I.....	Elizabeth A. Davis, MD, FACS
Chapter 134	Sclerally Sutured PCIOLs: Part II	Roger F. Steinert, MD
Chapter 135	Iris-Sutured PCIOLs.....	Garry P. Condon, MD
Chapter 136	Suture Fixation of the Capsular Bag.....	Robert J. Cionni, MD
Chapter 137	Anterior Chamber IOLs	Manus C. Kraff, MD
Chapter 138	Managing Dislocated IOLs	Gregg T. Kokame, MD

ASTIGMATISM MANAGEMENT

Chapter 139 Managing Cylinder Intraoperatively
Steven J. Dell, MD

Chapter 140 Corneal Correction of Astigmatism During Cataract Surgery
Uday Devgan, MD

Chapter 141 Where Is the Axis?.....
R. Bruce Wallace III, MD, FACS

Chapter 142 Corneal Relaxing Incisions.....
Louis “Skip” D. Nichamin, MD

Chapter 142 The Importance of LRIs
Eric D. Donnerfeld, MD

Chapter 143 The Shortcomings of LRIs.....
John F. Doane, MD

Chapter 144 Clinical Pearls for Success With the AcrySof Toric IOL.....
Robert J. Cionni, MD

Chapter 145 The Surgically Induced Astigmatism Calculator.....
Warren E. Hill, MD

Chapter 146 The STAAR Toric IOL.....
Stephen Bylsma, MD

Chapter 147 Comparing the STAAR and AcrySof Toric IOLs.....
David F. Chang, MD

Chapter 148 Toric IOLs Versus LRIs Versus Bioptics
Kevin M. Miller, MD

Chapter 149 Correcting High Astigmatism During Cataract Surgery.....
Robert H. Osher, MD; Roger F. Steinert, MD; Louis “Skip” D. Nichamin, MD; and Kevin L. Waltz, OD, MD

Chapter 150 LASIK Bioptics.....
Y. Ralph Chu, MD

Chapter 151 Reducing Astigmatism with Conductive Keratoplasty
Elizabeth A. Davis, MD

REFRACTIVE IOLS

Chapter 152 Top 10 Pearls for a Successful IOL Practice
Eric D. Donnerfeld, MD

Chapter 153 The Patient Experience in a Successful Refractive IOL Practice.....
John F. Doane, MD

Chapter 154 Patient Selection for Refractive IOLs.....
Kerry D. Solomon, MD

Chapter 155 Screening and Evaluating Presbyopic Patients.....
Steven J. Dell, MD

Chapter 156 Mastering Preoperative Interviews.....
Frank A. Bucci, Jr, MD

Chapter 157 The Mindset of Presbyopic Refractive Patients.....
Eric D. Donnerfeld, MD

Chapter 158 Communicating IOLs’ Value.....
Kerry Assil, MD

Chapter 159 Managing Cataract Patients’ Refractive Expectations.....
James A. Davison, MD, FACS

Chapter 160 Pearls for Success With Presbyopia-Correcting IOLs
William B. Trattler, MD, and Carlos Buznego, MD

TABLE OF CONTENTS

Chapter 161	IOL Power Calculations for Multifocal Lenses.....	<i>Jack T. Holladay, MD, MSEE</i>
Chapter 162	Clinical Pearls for Using the Restor.....	<i>David Allen, BSc, FRCS, FRCOphth</i>
Chapter 163	Deciphering Diffraction.....	<i>James A. Davison, MD, FACS</i>
Chapter 164	Centration and Diffractive Multifocal IOLs.....	<i>Jack T. Holladay, MD, MSEE, FACS</i>
Chapter 165	Experience With the Rezoom IOL.....	<i>H. Burkhard Dick, MD</i>
Chapter 166	The Tecnis Multifocal IOL.....	<i>Manfred R. Tetz, MD</i>
Chapter 167	Neural Adaptation to Aberrations.....	<i>Pablo Artal, PhD</i>
Chapter 168	Seven Tips for Successfully Implanting the Crystalens.....	<i>D. Michael Colvard, MD</i>
Chapter 169	Tips for Successfully Implanting the Crystalens.....	<i>Omar F. Almallah, MD</i>
Chapter 170	Systematic Approach to Selecting a Premium IOL.....	<i>Ernst Nicolitz, MD; David Mills, MD; Lenka Champion, MD; and Louis Catania, OD</i>
Chapter 171	Mixing IOLs: What Are the Options?.....	<i>Elizabeth A. Davis, MD; and Richard L. Lindstrom, MD</i>
Chapter 172	Mixing the ReZoom and AcrySof Restor IOLs.....	<i>Frank A. Bucci, Jr, MD</i>
Chapter 173	Mixing Multifocal IOLs.....	<i>Jonathan D. Christenbury, MD</i>
Chapter 174	Mixing Versus Matching IOLs.....	<i>Jay S. Pepose, MD, PhD</i>
Chapter 175	Combining the Crystalens and AcrySof Restor IOLs.....	<i>J. Trevor Woodhams, MD</i>
Chapter 176	Why I Do Not Mix IOLs.....	<i>Richard Tipperman, MD</i>
Chapter 177	European Perspective on Mixing and Matching Multifocal IOLs.....	<i>Michael C. Knorz, MD</i>
Chapter 178	South American Perspective on Mixing Multifocal IOLs.....	<i>Leonardo Akaishi, MD</i>
Chapter 179	Performing Refractive Lens Exchange on the Refractive Patient.....	<i>Stephen S. Lane, MD</i>
Chapter 180	The Challenges of New IOLs.....	<i>Steven J. Dell, MD</i>
Chapter 181	The Monofocal Solution for Presbyopic Cataract Surgery.....	<i>J. E. "Jay" McDonald II, MD</i>
Chapter 182	Intentionally Targeting Low Myopia After Cataract Surgery.....	<i>Gary S. Schwartz, MD</i>
Chapter 183	Pseudophakic Monovision.....	<i>William F. Maloney, MD</i>
Chapter 184	Determining the Mechanism of Pseudophakic Accommodation.....	<i>Adrian Glasser, PhD</i>
Chapter 185	Tetraflex Accommodating IOL.....	<i>Paul J. Dougherty, MD</i>

Chapter 186	Functional Vision With a Dual Optic Accommodating IOL
	<i>Ricardo Alarcon, MD, and Victor Bohórquez, MD</i>
Chapter 187	Pseudophakic Wavefront Correction
	<i>Daniel M. Schwartz, MD</i>
COMPLICATIONS OF PREMIUM IOLs	
Chapter 189	Topography and Premium IOL Surgery
	<i>William B. Truttler, MD</i>
Chapter 190	Communicating With Unhappy Refractive Surgery Patients
	<i>John Potter, OD</i>
Chapter 191	Handling Postoperative Issues With Refractive IOLs
	<i>D. Rex Hamilton, MD, MS</i>
Chapter 192	Patients Unhappy With Presbyopia-Correcting IOLs
	<i>Eric D. Donnerfeld, MD</i>
Chapter 193	Diagnosing Dysphotopsia With Multifocal IOLs
	<i>Audrey Talley-Rostov, MD</i>
Chapter 194	Solving Multifocal Mysteries
	<i>Robert J. Cionni, MD</i>
Chapter 195	Halos With Multifocal IOLs
	<i>Dwayne K. Logan, MD</i>
Chapter 196	Helping Unhappy Premium Lens Patients
	<i>Johnny L. Gayton, MD, FSEE</i>
Chapter 197	Dry Eyes and Premium IOLs
	<i>Eric D. Donnerfeld, MD</i>
Chapter 198	Capsular Complications With an Accommodating Lens
	<i>Jack A. Singer, MD</i>
Chapter 199	Pearls for IOL Exchanges With Multifocals
	<i>Steven J. Dell, MD</i>
Chapter 200	Microinstrumentation in IOL Exchange
	<i>Jennifer Calafati, MD; Diamond Y. Tam, MD; and Iqbal Ike K. Ahmed, MD, FRCSC</i>
